Oklahoma's Open Records Act, 51 O.S.2011 & Supp.2018, §§ 24A.1 – 24A.31, provides individuals with access to records while authorizing an agency to employ reasonable procedures to protect the integrity and organization of the records and to prevent excessive disruption of the agency's essential functions. 51 O.S.Supp.2018, § 24A.5(5).

We are reviewing your request and will be conducting a search for responsive records. Our review process includes initial intake, records search, legal review, and redaction of privileged or exempted records that may be captured by the search. Although the Oklahoma Open Records Act generally presumes all records are open, it includes many exemptions and exceptions to this general rule, such as an exemption which permits our office to maintain the confidentiality of our litigation and investigation files. 51 O.S.Supp.2018, § 24A.12. If your request is particularly large in scope or includes any records subject to these exemptions or exceptions, it may take additional time to review and fulfill your records request.

Please do not hesitate to contact our office if you have any questions or you would like to narrow the scope of your request. We look forward to working with you.

Sincerely,

Lauren E. Hammonds
ASSISTANT ATTORNEY GENERAL
